Here you can access a link to view photos and additional information from past conferences and **see what's new for 2019!**

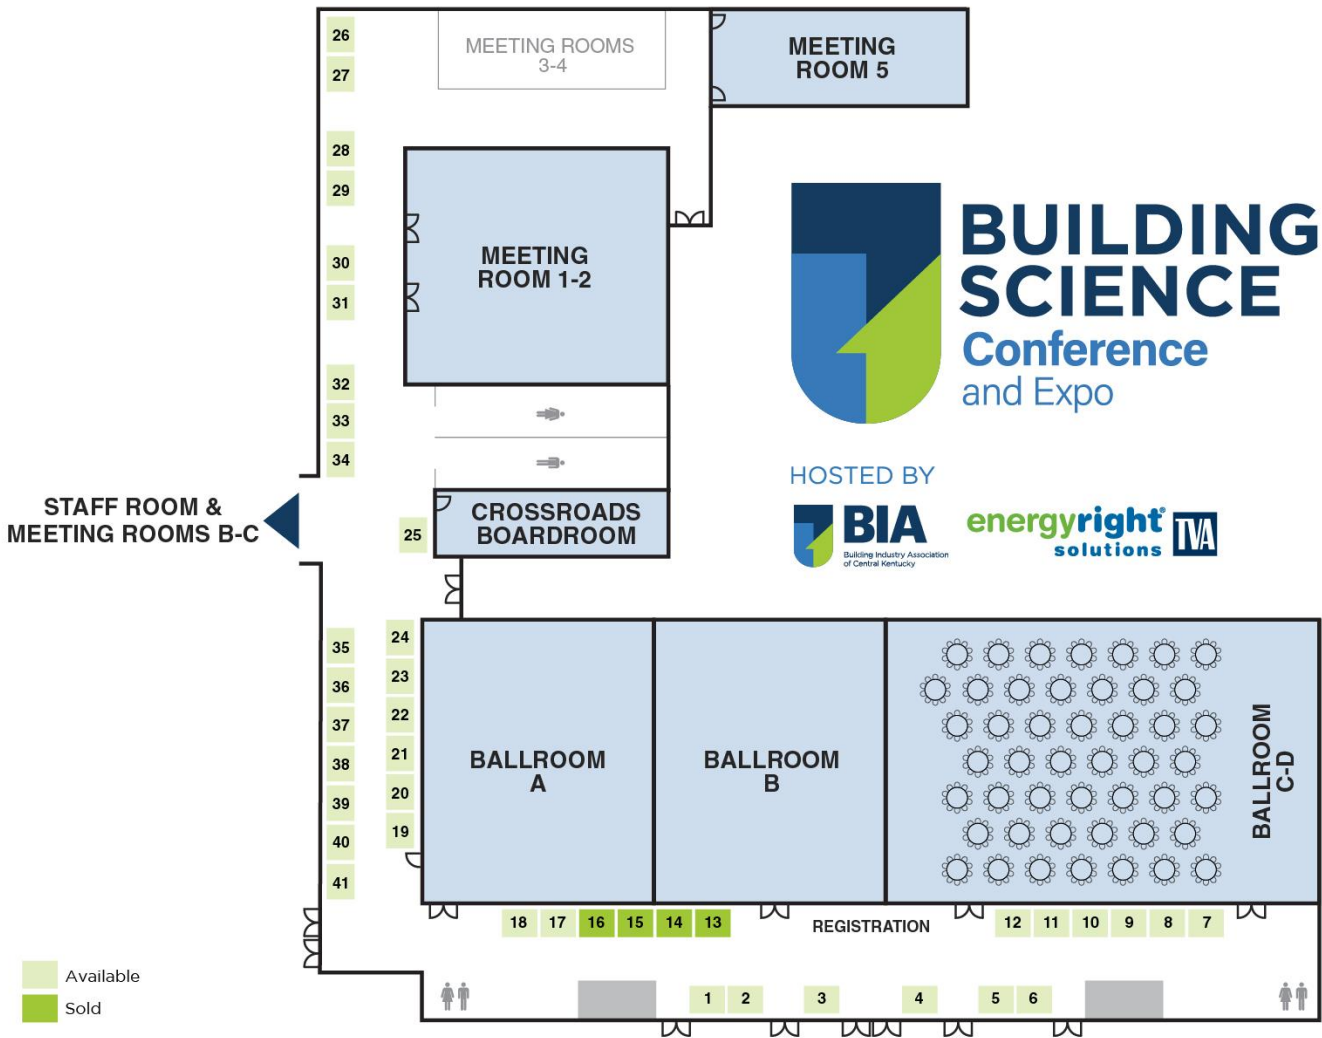

The 2019 Building Science Conference & Expo will continue to provide world-class CEU training and certification opportunities while offering *new sessions* including **commercial building science, workforce development initiatives, serving hard-to-reach customers, multifamily housing energy efficiency programs**, and more!

*And... the Conference has expanded to include a **special bonus session free of charge** from 12 noon to 3 p.m. on Wednesday, March 20th. **The Kentucky Energy and Environment Cabinet** is hosting Valuable Education important to all attendees, that will focus on building resilience and includes lunch. Speakers will provide actionable information on emergency preparedness, and how to ensure your buildings can withstand an emergency. Plus, attendees will gain valuable networking time.*

The Trade Show

As an exhibitor, you will have an 8 X 10 draped booth space which includes an 8' draped and skirted table, two chairs a trash can, electric, internet access and a basic header sign. Additional display items will be your responsibility, as will telephone lines. You will be provided with an exhibitor packet of information from LEXPO who can take care of any additional needs for you. The Trade Show will be open to all attendees from 7 a.m. to 6 p.m. on Tuesday, March 19th and from 7 a.m. to 3 p.m. on Wednesday, March 20th. **Exhibitors must remain set up until 3 p.m. on March 20th.**
