

Building Science Conference and Expo

Day 1: Tuesday, March 19

Date/Time	CEU	TRACK 1: Energy 101	TRACK 2: New Construction	TRACK 3: Existing Construction	TRACK 4: Technology	TRACK 5: Commercial	TRACK 6: Programs	TRACK 7: Resources
6am		Registration & Trade Show Open			Registration & Trade Show Open			
Breakfast 8-9:30am	0	Keynote Breakfast			Keynote Breakfast			
		Networking in Trade Show Area			Networking in Trade Show Area			
9:45-10:45am	1	General Principles	Total Design	A House as a System	Building Structures for Resiliency	Commercial Electrification Technologies Overview	Electric Vehicles (BPI value add session)	New and Innovative Low-Mod Utility Programs
		Networking in Trade Show Area			Networking in Trade Show Area			
11-12pm	1	Heat Flow & Control	Envelope Considerations (insulation, air barrier, air sealing)	Moisture Diagnostics – An Essential Skill	Smart Home Devices	Commercial SEM/50001 Ready	Building Demand - Effective Marketing and Consumer Education is Starter Fuel	Low Mod Funding Opportunities
		Networking in Trade Show Area			Networking in Trade Show Area			
Lunch 12:15-1:45pm	1	Keynote Lunch			Keynote Lunch			
		Networking in Trade Show Area			Networking in Trade Show Area			
2-3pm	1	Air Flow & Control	Mechanical System Considerations	Bugs, Mold and Rot	Lighting Design	Commercial DFHP	Reduce Post-Programmatic Stress Disorder For Better Results	Single Family - Habitat for Humanity and FAHE Best Practices and Innovation
		Networking in Trade Show Area			Networking in Trade Show Area			
3:15-4:45pm	1.5	Moisture Flow and Control	Moisture & Ventilation	Crawlspaces: The Good, The Bad and The Ugly	Innovative Tracking Tools for Weatherization and other Programs	Electrification for Sustainability	Louisville Metro Housing Authority Project	Leveraging Resources and Partnerships
4:45-6pm		Reception / Networking in the Trade Show Area			Reception / Networking in the Trade Show Area			
End Day 1								

Day 2: Wednesday, March 20

Date/Time	CEU	TRACK 1: Energy 101	TRACK 2: New Construction	TRACK 3: Existing Construction	TRACK 4: Technology	TRACK 5: Commercial	TRACK 6: Programs	TRACK 7: Resources
Breakfast 7-8:15am		Continental with Vendors - Available until 10:30am			Continental with Vendors - Available until 10:30am			
8:30-10am	1.5	Mechanical Systems	Multifamily	Leadership – A Guaranteed Way to Success	Multi-Family - Innovation from the Field	Building Re-tuning with Building Automation Systems	Solar PV Fundamentals - It needs to be in your toolkit.	Understanding the New Online Advertising Landscape
		Networking in Trade Show Area			Networking in Trade Show Area			
10:30-11:30am	1	Health & Safety	Planning for Future Technologies	Attracting, Developing and Retaining Valuable Employees	Indoor Air Quality	Workforce Development	HVAC2HP or HP2HVAC	Demystifying SEO for Contractors
		Networking in Trade Show Area			Networking in Trade Show Area			
Noon - 3pm		Value Added FREE Bonus Education Session – Includes Lunch Hosted by The Kentucky Energy and Environment Cabinet						
Conference Ends
